***Dietetic Internship Centralized Application System (DICAS)**

The DICAS portal will be available on December 9, 2016 for the Spring 2017 Match. The portal may be accessed at <https://portal.dicas.org>. The entire on-line application must be completed by 11:59PM Central Time on February 15, 2017 for our program. Other programs may have earlier deadlines. The fee for DICAS is \$40 (subject to change) for the first DI program application and \$20 for each additional DI program application. Follow the directions carefully on DICAS to ensure that your application is complete and accurate. The DICAS portal will require applicants to:

1. Complete all sections of the standard program application including demographics, education, activities, honors, work experience, volunteer experience, coursework, DPD course list form, and grades.
2. Submit your SFSU personal statement on DICAS and target it to be submitted to the SFSU dietetic internship program, answering all the standard DICAS personal statement questions plus the following two questions, all in 8000 characters or less:
 - a. Describe one of your achievements that you are most proud of and explain why you are proud of it.
 - b. Discuss why you feel you are a good fit for San Francisco State University's Dietetic Internship Program.

Be sure to follow the instructions on DICAS and request transcripts in a timely manner so that they can be posted on time to your application.

4. Ask DPD Directors to submit DPD Verification Statement or Declaration of Intent to Complete form on DICAS. Be sure to follow instructions on DICAS and enter the request in a timely manner so that DPD Directors have adequate time to complete the form.
5. Ask three references to complete a letter of recommendation on DICAS and target the three reference writers that you want for SFSU. Be sure to follow the directions on DICAS and enter the request for letters of recommendation in a timely manner so that reference writers have adequate time to complete the letters.
