

Gainful Employment Disclosures – 2019

Program Name *San Francisco State University – Dietetic Internship Program*

This program is designed to be completed in 11 months.

This program will cost \$13,200 in tuition plus \$539 in other fees/books if completed within normal time. There are additional costs for living expenses, immunizations, titers, travel, insurance, and living expenses. These costs were accurate at the time of posting but may have changed. Please see Estimated Costs and Financial Aid page.

Of the students who completed this program within normal time, the typical graduate leaves with \$25,000 of debt.

California does not require licensure but the RD/RDN credential is recognized under the CA Business & Professions Code and most California hospitals, clinics, etc...will only hire RD/RDNs for dietitian positions.

Program qualifies students to sit for the licensure exam in the following States: All U.S. states that require licensure
